**Compassion Weekend
April 27 & 28**

Right now, up to 783 million people in the world are facing hunger Children are suffering. In the face of such injustice, I know you want to do something. But maybe you're wondering how you can make a difference. April 27 & 28 there will be a sponsorship table, where you'll find photos of boys and girls who would love to have someone like you to serve, honor and protect them. When you sponsor a child, you'll help them see themselves as precious and valuable in the eyes of God, paired with nutritious food to combat hunger, tutoring, regular medical checkups and vocational training ... the result is a tangible and sustainable impact. That's why children in Compassion's program are more likely to stay in school, break the cycle of poverty in their families, become leaders in their communities and build tomorrow's Church. You can fight injustice by releasing a child from poverty in Jesus' name through sponsorship. Will you?
